R U SATISFIED?

Americans overall are not as sexually satisfied as our foreign brothers and sisters. While some of us certainly hold progressive views about sex, we are still considered by and large a puritanical society, which may explain our mediocre levels of satisfaction. Countries that are more socially liberal and have relaxed attitudes toward sex tend to have lower rates of STDs, teen pregnancies and abortions, and much more satisfying sex lives in general. Americans are having a lot less sex than our friends overseas. Studies have shown people in other countries have up to 70 times more sex than we do!

1. SWITZERLAND

Switzerland is consistently rated as one of the most sexually satisfied nations around the globe. A 2013 study revealed that more than 20% of Swiss nationals rate their sex lives as "excellent." Over 30% have even had sex in public places. Yet, with all that fucking going on, they still manage to have one of the lowest teen birth rates in the world. The United States birth rate was almost 10 times higher than the Swiss.

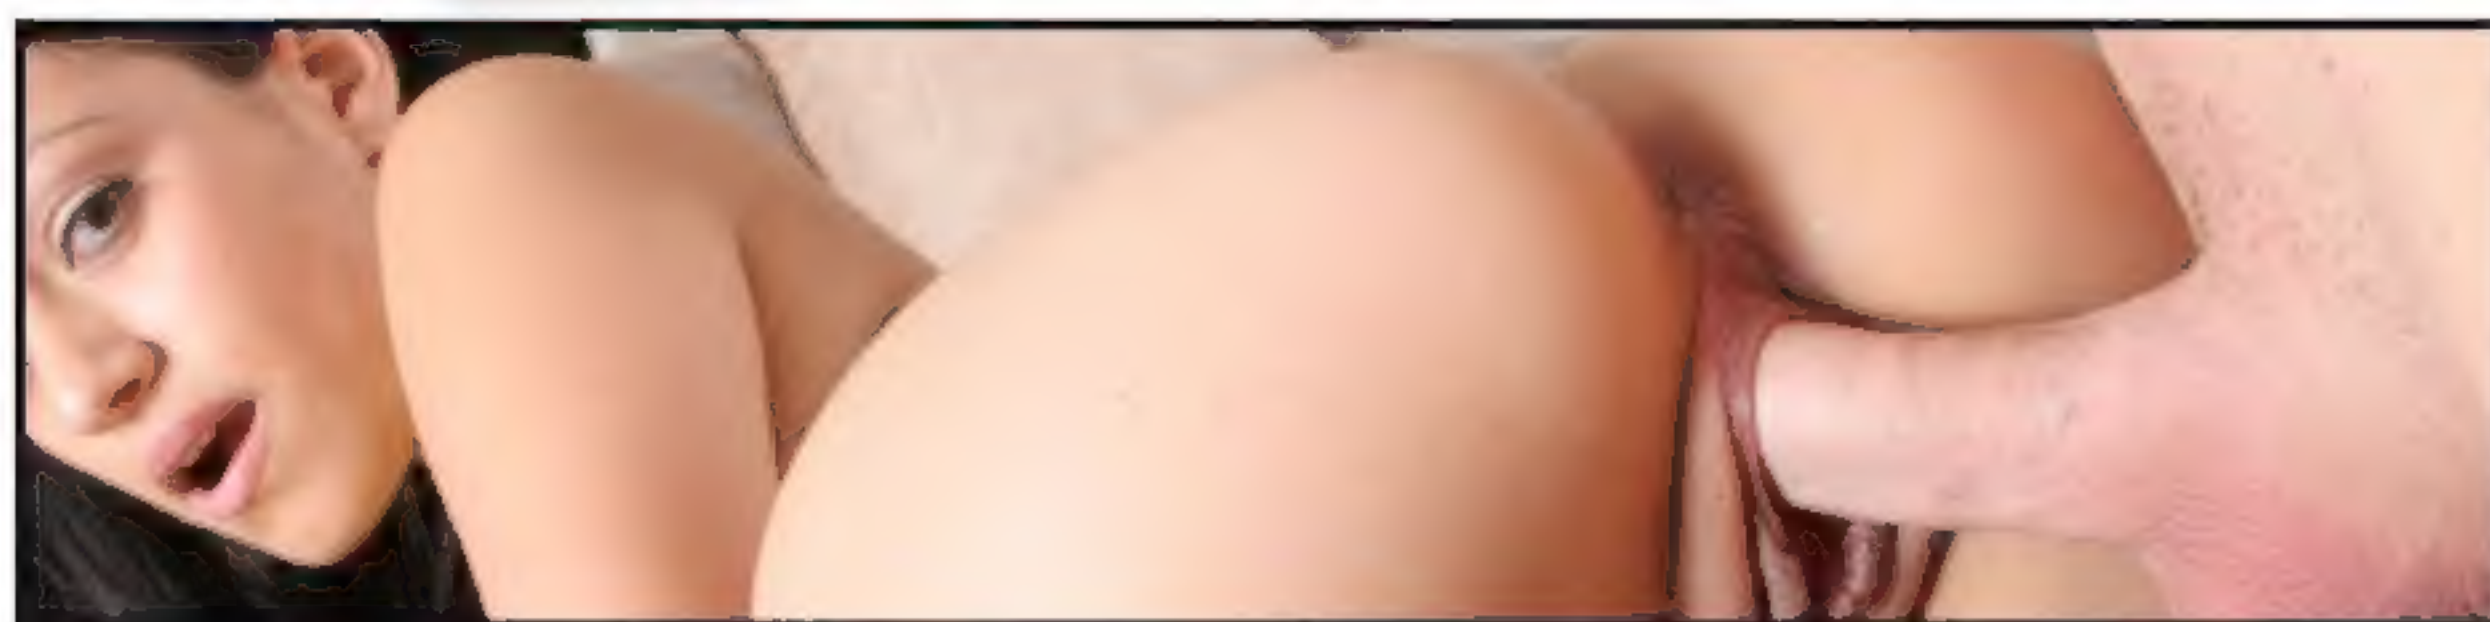

2. ITALY

Italians rate high on the sexual satisfaction scale because sexual seduction in Italy begins at the table as food and sex are closely tied together. This may be the reason Italians are considered among the top lovers in the world. The women also seem pretty content with their love lives as those who have two glasses of wine daily enjoy greater sexual satisfaction than those who didn't. One third of Italians expect sex to last more than 10 minutes, and most of that third expect more than 30 minutes.

3. SPAIN

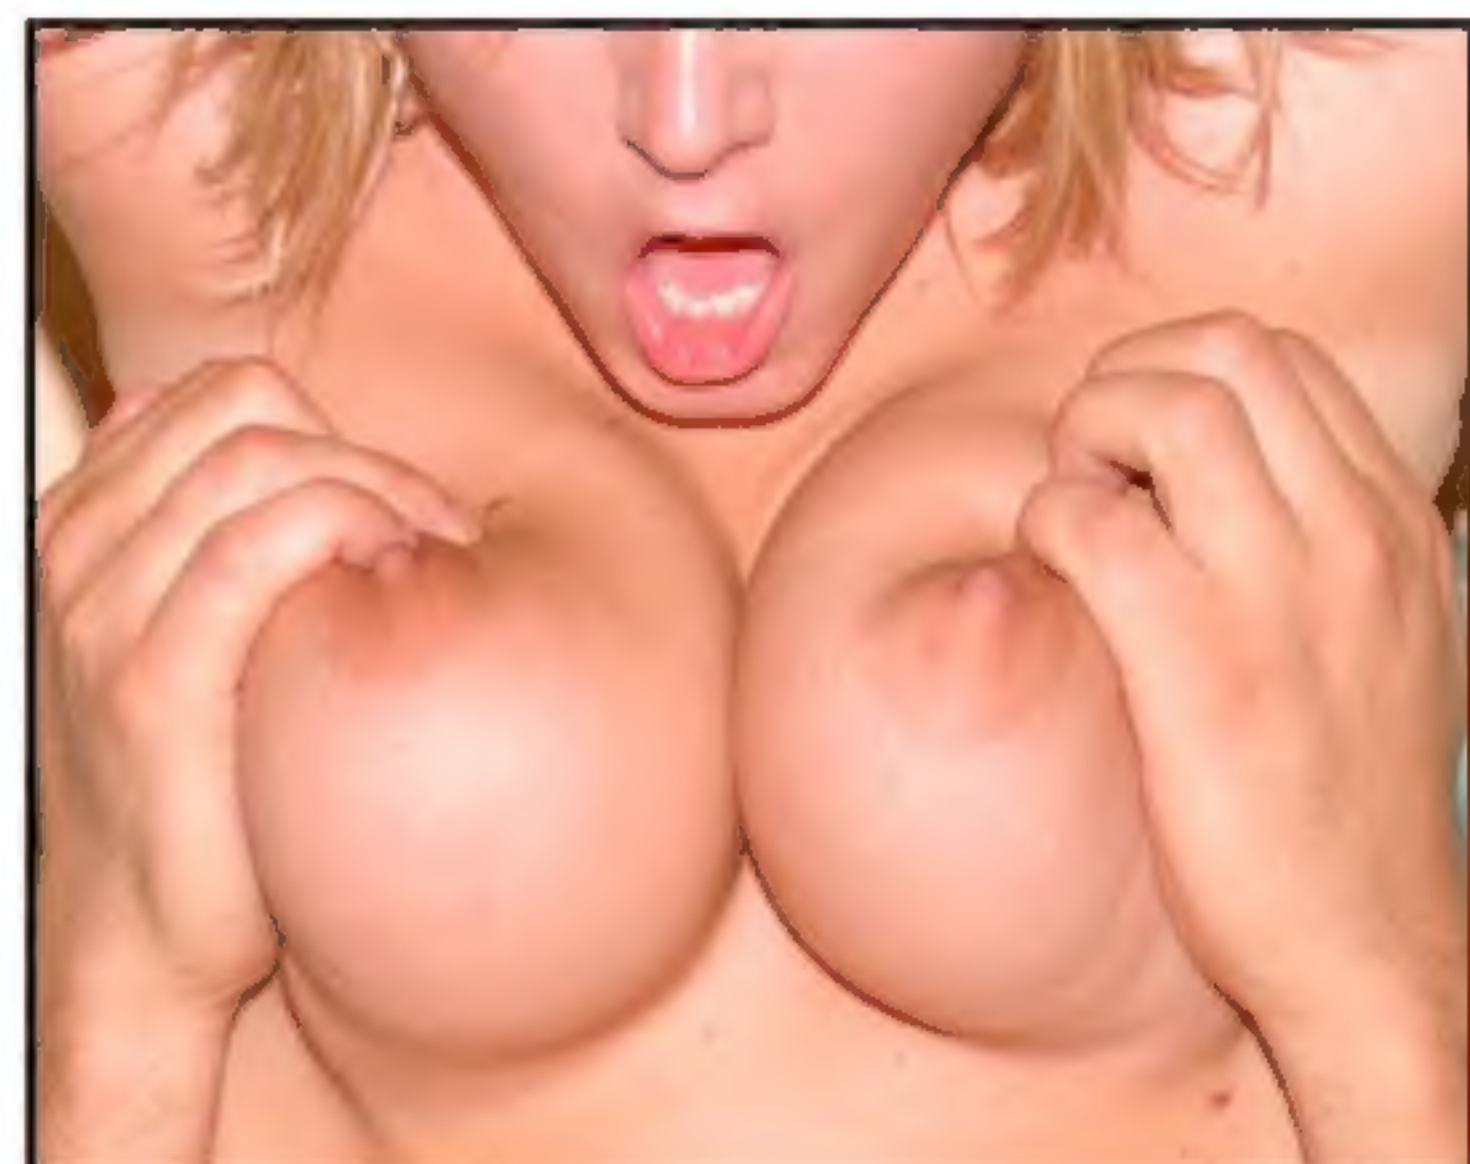

Sexually charged Spain, with its nude beaches and high social acceptance of gay marriage, recently topped some of the best male lover lists surveying more than 10,000 women. 25% of Spaniards rate their sexual performance as excellent. That rose to over 80% over time with a stable partner as opposed to casual encounters.

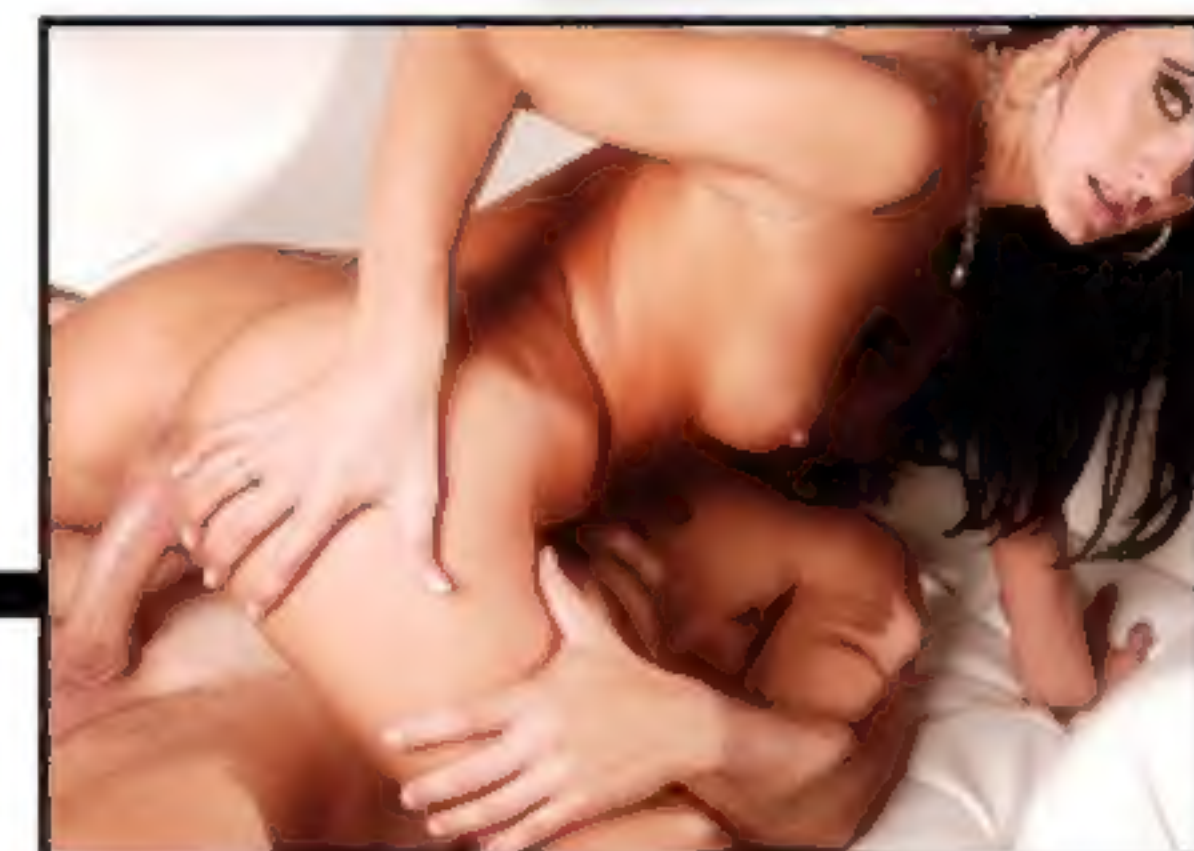

4. THE NETHERLANDS

The Dutch have are one of the most pro-sex countries in the world thanks to its famous red light district, abundance of nude beaches and open sex education policies. More than 60% of men and women are confident and more open about sex in general. Only half of Americans say they're comfortable asserting their sexual desires. The Dutch also have much lower abortion and HIV rates, and more than 20% of the population rates the quality of their sex lives as excellent.

5. GREECE

The Greeks have been talking about sex for centuries. Hippocrates spoke explicitly about the inevitability of sexual desire. Today, Greeks can still discuss sex at work, with friends, and most importantly, with their partners. The great weather, beautiful islands and healthy diet can't hurt, either. It's reported that Greeks have the most sex in the world weekly with an average of 164 times a year. Opa!

NEW OOPS!

Talk dirty to me...

I've got hot guys living in my complex. One guy was so hot that when he came out to the pool where I was sunning, I got off the phone, grabbed his stuff off the patio table while he was swimming, and had him follow me to my place, where I fucked his brains out. I didn't even know his name until afterwards, and he even had a girlfriend. Oh, well. I love my new place.

— Goldie, Miami

I'm so happy that I just can't this in any longer, I must tell you about my brand new girlfriend and me. The old one was a bore, so I dumped her for a better model. Here's why! Okay so we're lying in bed one night and she's bobbing her head up and down on my cock when I tell her to move her butt so I can touch it. I slide two fingers into her pussy and rub my thumb over her clit. Then I put in one finger, then another and another. I take out one finger out and rub it around her butthole before putting it into her ass. It slides right in with

no resistance. I keeps jamming my fingers into her pussy and ass. I finger-fuck her matching the rhythm of my fingers in her pussy with my finger in my ass.

I keep a finger in her ass as I guide my cock into it. I slowly stick it into her anus which is now well-lubricated with her pussy juices. She now is up on her knees with my finger in her ass and her butthole hovering over my cock. She eases down slowly, sliding my cock into her ass steadily until it passes her puckered rosebud and tunnels itself into her ass. I go slowly since this is the first time we're doing it with my cock and I hear her little squeals and that's turning me on even more. I grab her ass cheeks and start to move her body down deeper onto my cock until it is all the way in. I linger in there for a while as she gets use to it.

By now she's loosened up her anal grip

around my cock and I begin to move my cock in and out. Slowly at first then picking up the rhythm. I increase the speed of my thrusts as she rides me like the buck that I am. I finger her pussy in the front and fuck her in the rear. Her ass is soft yet the entrance is firm around my shaft, kinda like her mouth. I feel her sphincter close tight around my cock on the upstroke and loosen on the down. Then after a few strokes, she would switch and it drove me crazy. This girl got it right the very first time!

Then she starts to talk dirty to me as she senses that I'm about to come. Bending over and giving my cock a few swift pumps in and out, I shoot a huge load deep inside her butt. My willie goes limp and I feel my jizzy drip down her butt crack and onto my pubes. Way cool, guys!

Billy, the butt boy in Bellingham

Office trysting...

I never wanted to become involved with anyone at the office. There's way too much at stake. But one afternoon I was at the deli getting lunch to go and realized I had left my wallet back at my desk. I looked behind me hoping others did not notice and that I was not holding up the line. I noticed David back in the line and motioned him to come up. He did and I told what had just happened. He put in his order and told the clerk he was paying for both of us and he handed over his cash.

We left together and talked on the way back to the office. He said he was wanting to talk to me, even ask me out, but he too did not want to dip into the office pool. I

told him that's what I thought. I wouldn't mind just seeing someone, but not to get involved. With that, he asked if I liked movies. It turned out that we liked a lot of the same movies and also some of the same music. Soon his jokes and his charming demeanor put me at ease. We agreed to go to the movies that weekend. It was fun.

While the movie was playing I found myself glancing at him out of the corner of my eye. It was pretty apparent that I was digging him. I reached over for the popcorn bucket and to my surprise he had a raging hard-on tenting up his jeans. I looked at him and he smiled meekly.

I don't know what came over me, but I started stroking him through his jeans. Growing even more bold I unbuttoned his jeans and unzipped his fly. His rock hard cock jumped out through the hole in his boxers. I wasted no time working my hand up and down his shaft and up over the tip. My god, this was hot!

The theater was mostly empty and those that were there seemed like they were into the movie. I bent down to take him into my mouth. My head bobbed up and down as I sucked his cock with intensity, running my tongue and lips over every inch of it. Then I sucked just the tip as I pumped his shaft with my hand. That did it for him and he let out a stifled moan, filling my mouth with his hot cum. Trying not to gag

and alert people, I swallowed it all! After the movie we went back to my place, said we would not say anything to anyone at the office, and indulged in more mind-blowing sex. So much for official office policy.

– Della, Van Nuys

Happy Valley PTA,

I live in College Station, Pennsylvania, home of Penn State, but there's more than just the University here when it comes to education. Like Morrison Middle School which my son attends. One Wednesday night, my husband and I decided to finally go to the PTA meeting at the school. We had been putting it off, but thought better of it and so we went. There were over one hundred people there that night and right at 7 pm Mason Whatley, the current president, called the meeting to order. He went through typical business while we tried to maintain our interest in the proceedings.

Mason's about 35 years old and six foot tall with brown hair. I had a couple questions for him but was a little embarrassed to bring it up at the meeting in front of all those people. We met him after all was done and I voiced my concern to him about traffic flow around the school, and

IT COST ME

I went to my friend Phil's house to borrow some dress clothes because I've got an interview tomorrow morning. Phil's working at his job, so I felt a little awkward rummaging through his closet with his mom helping me find the clothes I needed. I tried on a couple dress shirts and when she told me how confident I looked with a tie on, I couldn't but help feel confident to enough to eat her pussy and fuck her brains out when she told me that's how I would have to pay her for using Phil's clothes. I didn't get the job, but I did get to do his mom again when I returned the clothes.

– James, NYC

of course, the food quality at in the cafeteria. While he didn't say anything specific to solve the problems, I did find him pleasant and actually quite attractive. A month later we were at the next meeting. Afterwards, we saw Mason again and this time we just made some small talk. He mentioned that he was a widower and liked his involvement with the school. This time it seemed like Mason paid a little extra attention to me than my husband.

At work on Monday, I found myself fantasizing about Mason. I told my husband that we should invite him to dinner and find out more about the PTA. Next year's elections were coming up and I was getting into it that I might want to run for president. Next meeting we invited Mason over and he agreed. As we entered the restaurant, I whispered to my husband that I would like to fuck Mason. You see, we have a pretty open marriage. He's enjoyed watching me with other men in the past, though it's been a while. Many times my husband would watch and I'd put on a great show for him.

I felt quite sexy in my new dress while I was talking with Mason. As dinner progressed, the conversation got away from school and about each other. My husband conveniently excused himself so I could approach Mason with the proposal. I eased into it and then just came right out with it. "I want you to fuck me." I told him. Somehow he was not as surprised as I would have thought. But ever the gentleman, he politely accepted and we made plans for a Wednesday rendezvous after the PTA Meeting. We had decided that he would return to our house and enjoy

each other there.

He was comfortable with my husband watching, or joining us. We would let the evening take it's course.

As Mason walked through the door, I took him by the hand and sat him down in a big overstuffed chair. I wasted no time and slowly maneuvered myself into a position where I could grind my ass all over his cock. I was already quite horny. I turned to face him and unzipped his pants and took them off. He did the same with his shirt. I pushed my tits together, grabbed and shoved his throbbing rod between them, fucking my big tits.

By now I was so horny I bent my neck and kissed the head between my boobs, leaving a beautiful lipstick print on it. His precum was flowing freely, oozing onto my lips giving them a glossy coat. Finally I gave in and pushing his cock firmly into my mouth. I sucked and slurped it giving a good show to my husband as he watched. I am an expert cock sucker so within a few minutes of attention to his cock, I could tell he was close so I released it from my mouth, holding it straight up, jerking it furiously, and started licking my balls. He erupted like a geyser, blasting my face and tits while he bucked throwing his head back in ecstasy. My husband gave us the thumbs up signal and stripped down to join us.

— Diana, Santa Cruz

STUDY? NO WAY

My GF is a college cutie who likes to study at home for her classes, but when I come around and start bothering her for some naughty playtime, she wants to resist. I know she's a studious girl, but when it comes to my dick, she excels like a vale'dick'torian. Once I whip it out, she takes it right down the hatch, but that's just a warm up for real action!

bi every man likes it... every man wants it...

So let's assume for a minute... let's assume that the blowjob has been around as long as mankind. Perhaps only the handjob has been around longer, except for your own hand. That probably means that the majestic cock has been sucked and licked so many times, it's just not worth counting. But I digress. It is, however, worth exploring, after all you see enough of it on these pages, and we hope you get enough of it in your private life. After all, it is one of the sexiest ways a man can be pleased. Many men we've spoken to often prefer it over intercourse.

First of all, we men know if you like doing it or not, just by how you go about it. If you don't like it, we'll know because the enthusiasm and technique will not be there. So be passionate about giving head. Go for the gusto and it will turn us on so incredibly that we'll say around the office, "I had the BEST blowjob today," and we'll remember it for many hours of masturbation later.

A woman in charge of the blowjob and who wants to seriously give her man pleasure, is in control of us in this moment. So we've gathered some tips on what we men think are some of the best ways to make love to a man's penis:

It's mostly about his pleasure – To give the best blowjob ever you will need to put some effort into it. Putting his cock in your mouth and simply going up and down on it will accomplish nothing, this is not a blowjob. You hold the power to give us the best blowjob ever, so unleash it!

Eye contact – Let us watch as you master the cock. If you are lying on the bed between our legs, or if we're standing looking down, we're intently watch-

ing you. Try using one hand to stroke our tummy, our balls; run your hands and down our legs, thighs, nipples, and hold our cock with the other hand so you can guide it or stroke it. If you're holding our cock as you're going at it and we pull it away, don't worry, we just want you to go all the way down just using your mouth. Watching you go all the way down is incredibly sexy for us see his cock disappear down your throat. Especially if you are making eye contact with us.

For those who spit – Some of us men like our blowjobs sloppy wet; there can never be too much saliva during oral sex to keep the rod sliding. Saliva is a natural lubricant in this instance but

your tongue horizontally up the vein of the cock and feel us gasp when you again, suck it into your mouth.

Take a break to talk – While giving oral sex, saying things like "you taste so good", or "you're so big", in your sexy voice are a definite plus while giving a blowjob. But more specifically we're referring to the verbal communication needed to know what exactly we like that you're doing, or not. Ask us, "Do you like it when I do this?" or "Which way feels better for you?" Communication plays a major role in giving us the best blowjob ever.

Hummer? Why a hummer? – By humming or making slurping noises during

if you've been going at it a while, the mouth will naturally dry up. Add some spit or keep a glass of water or liquid of your choice nearby to help keep the juices flowing.

Test the testes – Suck our balls. We men don't usually get a lot of attention to our balls because most women think they'll hurt them. But if you gently stroke them and suck them by taking one into your mouth at a time, tonguing it, then moving to the other one, you'll see how much enjoyment is derived from this attention. Then use

a blowjob, did you know you can actually send vibrations throughout the penis which can be very enjoyable for us. It also means that you're probably having a good time too.

Do it like Linda Lovelace – In my opinion deepthroating is the best bj technique ever. There is nothing like watching our entire penis come spilling out of our partner's mouth. Then flick and wag your tongue around the head, take a deep gulp of air and go down again. Repeat and repeat until you feel us ready to cum and then hold it there.

Probably the most popular sex act, at least among men, is the blowjob. It comes with many names: bj, giving head, getting head, a hummer, going down, and the ever proper oral sex or fellatio.

Nibble but don't bite – Another little trick that makes men gasp with pleasure is when you use your teeth ever so gently on the tip of our cock. Be sure there is a lot of saliva for gliding your teeth on. Start out by having your teeth clenched together, then glide down the head and slowly open your mouth. Close your lips around the shaft as you move downwards. Then try flicking your tongue as your teeth give way and cause a suction with it. It's not complicated, just try nibbling here and there, oh, and don't forget the balls.

While some men enjoy a little nibbling, there is nothing worse than the pain that

extremely sensitive when the head is exposed by pushing the skin all the way down and holding it down to suck (but be careful – some can find this painful). Sometimes try leaving the skin up and stick your tongue between the outer skin and head and wiggle it around. Pressure is important too. Squeezing with your lips as you move up and down our cocks is often the key to making us cum. Vary the pressure, the depth and the speed and you'll find that combo can work almost every time.

Spit or swallow? – And last but not least, the age old question, to swallow or not to swallow. A woman swallowing

can see the glorious "money shot." As a result, many of us associate an awesome orgasm with pulling out and cumming that way. Many ladies find it a turn on to see the fruits of their labor, or feel the warm love juice on their breasts.

Of the top 5 questions most asked by guys online, "Do you swallow?" is one of the most asked questions. This is because a man's ego lives in his penis. If you swallow our ambrosia, our ego is given the ultimate compliment.

After we cum in your mouth, slowly pull away and leave the cock alone for now. It is painfully sensitive and can't bare any more attention for a few minutes. A nice warm washcloth placed on the shaft and scrotum feel lovely while we're

can be felt from scraping teeth. Some scraping is going to occur. There is no way to prevent it especially when you're going fast and furious. You can prevent some of the scraping by using your lips to cover your teeth as well as being aware of the position of the penis.

Try different ways to do the same thing – Most men who are uncut are

cum is always a turn on, but many don't or won't do it. No problem. Just keep it in your mouth and spit it out after we're done cumming. If you're not going to swallow, then I like cumming by jacking off in the last seconds before onto your breasts, ass or wherever. Many of us men grew up watching porn and in all porn, pulling out of the mouth and other orifices is the norm, so the viewer

resting and recuperating.

Finally, listen to the noises we make and be acutely aware of what makes us happy. If you want to make us cum without the old in-and-out, the blowjob is usually our medicine of choice. I know I've never refused one. Patience, passion plus variety of moves shows that you too can give the **ULTIMATE** blow-job.
